Hot Water in the Canteen:
After a safety review and an assessment of the accidents which have occurred with hot water, it has been decided that as from the start of Term 1, hot water will not be available directly from the canteen at recess and lunch.

Students can still pre-order noodles from the canteen. Also, if students want to bring their own noodles from home, they must leave the noodles at the canteen by 10:30am. You must write your name, Home Class and whether you want the noodles for recess or lunch.

Your noodle container must have a lid. The noodle container will be filled with water in time for recess or lunch. Milo or soup are only to be served to you by adults.
