Dear Parents and Caregivers,

We are aware that many of you are experiencing significant social and economic hardship due to COVID-19. We are committed to your daughters' learning and wellbeing at St Aloysius College and we wish to offer financial support to families in need.

Many parents and caregivers have lost significant employment or business income due to coronavirus. The College's immediate priority is to provide as much stability as possible for your daughter and, with this in mind, we are committed to providing options for fast, flexible and confidential financial assistance, including:

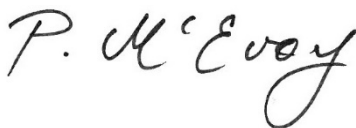

- Additional time to meet fee commitments, including deferral of payments
- Remission of all or part fees for Term Two, with a commitment to further support in Term Three should it be required

Our Business Manager has prepared a streamlined financial assistance application form ([Click here](#)). The College will endeavour to provide you with suitable support, subject to our internal assessment criteria. We will advise you promptly of our response to facilitate your planning.

This assistance aims to ease financial stress caused by COVID-19 and the surrounding uncertainty. If you would prefer to make contact via email (familyaccounts@sac.sa.edu.au) or phone 08 8217 3200 we will be happy to assist you.

Our position as a Catholic school, and as a Mercy school, is very clear - no child will be denied ongoing enrolment due to inability to pay. Please do not hesitate to contact us at the College should you need to discuss your individual situation.

Yours faithfully,

Paddy McEvoy
Principal
