

26 March 2020

Dear Parents and Caregivers,

New information has been announced today regarding Term 1 for schools in South Australia.

**Pupil Free days (6-9 April 2020)**

The Government has announced that the final week of this school term (Monday 6 April – Thursday 9 April) will be a pupil free week across all South Australian schools. This means that the last day of Term 1 for students will be Friday 3 April.

The pupil free days will enable teachers and school staff to prepare for the remote delivery of lessons if required in Term 2.

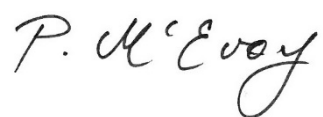

More information about our Vacation Care arrangements during the pupil free period and the school holidays will be emailed to Reception to Year 6 parents separately.

**Remote Learning**

Remote Learning Guidelines for students and families will be provided in Week 10. These guidelines will outline how the staff of St Aloysius College will continue to provide pastoral and learning support to every student, whether they are learning at home or at school.

We appreciate the support of our students, families and staff as we tackle these unprecedented challenges together. The many messages of kindness and encouragement that we have received this week are evidence of the goodwill at the heart of this community.

Yours faithfully,

Paddy McEvoy  
(On behalf of the College Leadership Team)
