Secondary Sport Inclement Weather Policy

The Secondary Sport Coordinator will communicate with students/coaches/parents/umpires informing them of all cancellations. If you have not received notification from the Secondary Sport Coordinator about cancellations, then all games will go ahead. Do not assume games will be cancelled unless you receive notification from the Secondary Sports Coordinator.

SACSSGSA WEATHER POLICIES

If the temperature for the forthcoming SATURDAY is forecast at 38°C on the Bureau of Meteorology's website at 8:00am on the Friday, all secondary sport will be cancelled. For extreme circumstances where the forecast changes after 8:00am on the Friday to be above 38°C, an email and text message will be sent to school Sport Coordinators informing them of the cancellation of **ALL** sport for the following morning. For MIDWEEK sport, if the temperature for the programmed day is forecast at 38°C on the Bureau of Meteorology's website at 3:00pm the day before, **ALL** Sport will be cancelled.

If the forecast temperature is less than 38°C but conditions are considered as extreme, the SACSSGSA Executive Officer in consultation with the Executive Committee will inform school Sport Coordinators of each school by text message, the SACSSGSA website or email if sport is to be cancelled.

OTHER CANCELLATIONS DUE TO HOT WEATHER

St Aloysius College may elect to cancel fixtures where the forecast temperatures are lower than those stated above, where local conditions are more severe and pose an increased risk for student participation.

INCLEMENT WEATHER CANCELLATION PROCEDURES

The SA Catholic Girls Executive Officer in consultation with the Executive Committee may issue a blanket cancellation where weather conditions across the metropolitan area are considered to be so extreme as to warrant such a cancellation.

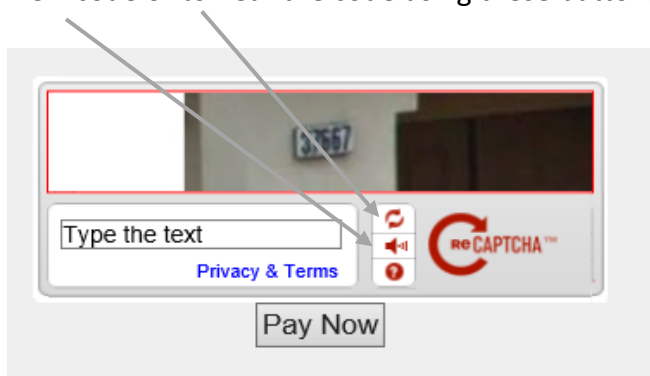

In case of inclement weather an activity may need to be suspended due to hail, lightning, rain etc. The decision to suspend a game can be made by the Executive Officer, Referee, Venue Coordinator and/or by coaches.

It is recognised that local conditions (hail, lightning, rain etc.) are likely to have a greater impact and so host schools will have the discretion to cancel fixtures.
