General Information

St Aloysius College offers a variety of ways to be active. Students develop their talents and take on new challenges by participating in activities.

There are plenty of opportunities to join sporting teams: Tennis, Lacrosse, Soccer, Netball, Volleyball, Beach Volleyball, Basketball, Badminton, Touch Football, AFL Football, Indoor Volleyball, Water Polo, Swimming and Athletics are offered. Teams play after school and on weekends. Reception to Year 3 students can choose to participate in the after school Come 'n' Try program. The running of any particular sport is subject to sufficient student nominations and adequate staff/coach availability.

There are also opportunities to represent St Aloysius College in knockout competitions and interschool events at local and interstate levels. All students compete in the annual St Aloysius College Athletics and Swimming Carnivals which are highlights of the school year.

Students who nominate to participate in sport are expected to be committed to their chosen sport for the season and to fully adhere to the St Aloysius College Sport Policy.

All sport information will be communicated via student email and the school website. Students will receive information packs after online nomination/payment has been received and consent forms returned.

Secondary Sport Inclement Weather Policy

The Secondary Sport Coordinator will communicate with students/coaches/parents/umpires informing them of all cancellations. If you have not received notification from the Secondary Sport Coordinator about cancellations, then all games will go ahead. Do not assume games will be cancelled unless you receive notification from the Secondary Sports Coordinator.

SACSSGSA WEATHER POLICIES

If the temperature for the forthcoming SATURDAY is forecast at 38°C on the Bureau of Meteorology’s website at 8:00am on the Friday, all secondary sport will be cancelled. For extreme circumstances where the forecast changes after 8:00am on the Friday to be above 38°C, an email and text message will be sent to school Sport Coordinators informing them of the cancellation of ALL sport for the following morning. For MIDWEEK sport, if the temperature for the programmed day is forecast at 38°C on the Bureau of Meteorology’s website at 3:00pm the day before, ALL Sport will be cancelled.

If the forecast temperature is less than 38°C but conditions are considered as extreme, the SACSSGSA Executive Officer in consultation with the Executive Committee will inform school Sport Coordinators of each school by text message, the SACSSGSA website or email if sport is to be cancelled.

OTHER CANCELLATIONS DUE TO HOT WEATHER

St Aloysius College may elect to cancel fixtures where the forecast temperatures are lower than those stated above, where local conditions are more severe and pose an increased risk for student participation.

INCLEMENT WEATHER CANCELLATION PROCEDURES

The SA Catholic Girls Executive Officer in consultation with the Executive Committee may issue a blanket cancellation where weather conditions across the metropolitan area are considered to be so extreme as to warrant such a cancellation.

In case of inclement weather an activity may need to be suspended due to hail, lightning, rain etc. The decision to suspend a game can be made by the Executive Officer, Referee, Venue Coordinator and/or by coaches.

It is recognised that local conditions (hail, lightning, rain etc.) are likely to have a greater impact and so host schools will have the discretion to cancel fixtures.
