

2 May 2022

Dear Parents and Caregivers,

Welcome back to St Aloysius College for Term 2. We trust that you have heard information regarding the changes to COVID-19 settings in schools for the first four weeks of this term. The mask mandate for secondary students and for staff has been extended until the end of Week 4 of this term. Masks are also strongly recommended for Years 3 to 6 students. We ask that parents and caregivers follow sanitising protocols and mask-wearing when indoors on school grounds.

Parent meetings will be held online where these can reasonably occur (such as the upcoming Parent/Teacher/Student Learning Reviews on May 9 and 16), however parents and caregivers are welcome to enter school grounds and attend indoor sporting events and other extra-curricular activities. We are excited that our students will be able to engage with a broader range of activities this term.

We ask that you inform us as soon as possible if your daughter tests positive to COVID-19 as we are required to report to SA Health and monitor the data for outbreaks. The critical information we require is the date the positive test was taken and the date symptoms began (if applicable). Please either send this information to absentees@sac.sa.edu.au, SMS 0438 433 333 or call 8217 3200. We will continue to follow the SA Health guidelines for schools in all COVID-19 matters.

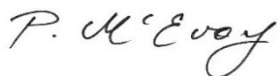

SAC Strategic Plan Parent/Caregiver Consultation

A reminder to families that your input and feedback is welcome on our SAC Strategic Plan 2022-2025. The survey will be open until this Friday, 6 May. Thank you for those who have already provided some feedback.

[Please click here to view an introductory video as well as the draft documents and Parent/Caregiver survey.](#)

We look forward to welcoming all our students back to school tomorrow. If you have any queries regarding this transition phase in SA schools, please do not hesitate to contact the Leadership Team via registrar@sac.sa.edu.au or call 8217 3200.

Yours faithfully,

Paddy McEvoy
