

Mercy Day

As a result of Covid-19 restrictions earlier in the year, we rescheduled many planned events, including Athletics Day, camps and excursion. We are happy that students are able to participate in these activities, however in order to accommodate these changes, we will not be able to hold our annual Walkathon this year.

There are still however, important celebrations we have to look forward to this term, including our whole school Mercy Day Mass on Wednesday 28 September and our annual Mercy Day on Friday 30 September.

Mercy Day is a day of celebration, with classes and year levels organising and running various stalls, with all funds raised supporting Mercy works, including Catherine House, the Adelaide Day Centre and Mercy House of Welcome to help people in our community who are in need. Students are invited to bring in gold coins to spend on the day. There will also be free stalls offered for all students, which will be run by the Year 7 to Year 12 SRC's. The canteen will be closed on this day.

The Mercy Day celebrations will conclude with an early dismissal at 12.30pm. Students can wear casual clothing on this day.

Our OSHC service will be available for students from Reception to Year 6 following the 12.30pm dismissal, however, the library will be closed.

We thank you in anticipation for your generous donations on this day.
