

OSHC Vacation Care

Term 2 July 2025

Holiday Program Policies

Please read the below information prior to completing a booking form

Our Vacation Care program operates from 8:00am to 6:00pm, excluding public holidays. To secure a place in our program, we ask that the attached booking form is completed and returned via email to OSHC or to the College Office by **Week 9 Friday 27 June**. ***Bookings are essential and places are limited for excursions.***

Late Collection Fee

A late collection fee will apply if parents/caregivers arrive after 6:00pm to collect their child/ren.

New Enrolments

All new enrolments for the July Vacation Care period require 48 hours to be processed. This ensures that we can meet our duty of care and follow up any relevant information for students, including any medical documentation.

Cancellations

We are unable to cancel Vacation Care bookings without charge. Therefore, if you cancel a booking, the fee for that day will remain and is claimable through CCS. In the case of injury or illness, fees may be waived if a medical certificate is provided.

You can swap your bookings, subject to availability of places, if at least one week's notice has been given. An alternative day must be booked at the same time you request this change. In the case of illness or injury, a medical certificate must be provided for fees to be waived. Please call the OSHC Centre directly on 0418 471 663 or 8217 3254 between 8:00am-9:00am on the day of cancellation, or email at oshc@sac.sa.edu.au.

Clothing, Lost Property, Sun Protection and Food

- Children must wear enclosed shoes, sneakers are best. **Thongs or slip-ons are not permitted.**
- Children must bring a hat to wear when outdoors.
- Children must bring their own breakfast, healthy recess and lunch. OSHC will provide some lunches and all afternoon tea, please check the program for details.
- Please label all clothing, lunch boxes and drink bottles.
- Due to health regulations, we are not able to heat any food brought from home.
- **Nut-based products (containing nuts as an ingredient) are *not permitted*.**

Excursions

Children are expected to **arrive no later than 8:30am** to ensure they are present for roll call, group organisation and safety expectations. Due to booking times, we are unable to delay our departure in the instance that a family is late and will communicate with the family to meet the group at the excursion destination. A backpack containing separately packed recess and lunch, snacks, hat, and water bottle are required. Spending money ***is not*** permitted.

A risk assessment is prepared for all excursion and incursion programs organised by the service and is available at the service for families upon request.

Signing In and Out

Parents/Caregivers must sign their child/ren in and out of the program each morning and afternoon. **This is a legal requirement.** Parents/Caregivers must use the available iPads for signing in and out.

Electronic Devices

Children are not permitted to bring any hand-held gaming consoles or laptops to Vacation Care except when invited to do so as part of the program.

Medication:

National Regulation (90) – Under the Education and Care Services National Regulations, we are unable to have students attend the service if they have a diagnosed medical condition until the following documentation is provided or is currently in-date:

1. Up-to-date Medical Management Plan (e.g. Asthma, Anaphylaxis, Allergic Reactions)
2. Medical Conditions Risk Minimisation Plan and Communication Plan
3. Prescribed medication (provided in original packaging with a pharmacy label attached) and Medication Authority Form (forms available from OSHC or school website)

National Regulation (95) – All medication must be supplied in the original container with the pharmacy label and the child's name clearly recorded. A permission to administer medication form must be signed by the parent/doctor before medication can be administered by OSHC staff or self-administered by a child over 8 years of age.

The OSHC centre will contact the necessary families in Week 8 regarding documentation that is due to expire or required. **Failure to provide documents despite notification may result in bookings being declined or cancelled.**

Extreme Weather:

If it is forecasted to be 36°C or above, or that there will be heavy rainfall, storms or fire hazards, excursions/activities may be cancelled. The wellbeing of our students is our main priority, and we will communicate with families about these changes at the earliest possible time. An alternative centre-based program will be provided.

Child Care Subsidies:

If you do not have an active claim for Child Care Subsidy (CCS), please ensure your claim is made through Centrelink prior to commencement of the holidays. Centrelink may take upwards of 4+ weeks to approve a CCS claim and will only backdate as far as 28 dates from the date the claim has been made. Your entitlements will include eligible hours that will receive the subsidy. Anything over these hours does not receive the subsidy. Our Vacation Care daily sessions are 10 hours long.

OSHC does not have any control over CCS, eligibility, or CCS being removed from fees. CCS enquiries in these fields are best directed to Centrelink. It is the responsibility of our families to ensure their claim for CCS has been placed and approved. Families not receiving CCS are responsible for payment of the full vacation care fees.

Why has my Child Care Subsidy suddenly stopped?

Many families who use OSHC intermittently experience having their CCS ceased due to non-attendance. If a child does not use OSHC for 14 weeks in a row, the CCS is automatically ceased by Centrelink. Furthermore, any absences foll Centrelink will recover the CCS paid for that session. The next time you attend OSHC you will have a prompt from MyGov asking you to confirm their attendance at OSHC and the CCS will be applied to the account again.

Warmest regards,

Tegan Neville
