Director of Inclusive Education

School Context

St Aloysius College is a Catholic school for girls shaped by the tradition of Mercy. St Aloysius College was established in Adelaide in 1880 by the Sisters of Mercy to educate girls to realise their own potential and to contribute fully to the wider community. The College's Mercy Lights Strategic Plan calls us to find new and creative ways to embody Mercy and to take up the challenge to empower young women to play a vital part in our world.

Our mission: *With faith and courage, we nurture in our students an enduring zest for all aspects of life and learning, inspiring them to be confident individuals who make a difference in the world.*

The Mercy Values of St Aloysius College underpin all that we do:

Compassion ♦ Hospitality ♦ Justice ♦ Service ♦ Respect ♦ Courage

Position Overview

The Director of Inclusive Education leads a whole-school culture of inclusion that honours the dignity of every learner, reflecting Mercy Education's commitment to compassion, respect and justice. The role promotes student wellbeing, belonging and safety, and advocates for students with additional learning needs to access learning and participate fully across R-12.

The Director of Inclusive Education leads the development and implementation of inclusive policies, processes and learning environments aligned with Mercy Education and CESA guidelines and the Nationally Consistent Collection of Data (NCCD) expectations. This includes ensuring ethical, accurate and timely NCCD processes through consultation, adjustment planning, evidence collection, and strengthening staff understanding of the four levels of adjustment.

Working collaboratively with teachers, leadership, families and external agencies, the Director guides evidence-informed practice that remove barriers to learning. The role builds teacher capability through professional learning and collaborative planning, and uses data, student voice and staged intervention processes to monitor progress and continuously refine support structures.
