	Thursday 3 December	END OF TERM 4 **EARLY FINISH** Classes conclude 12:00pm Reports released
	Friday 4 December – Friday 18 December	Vacation Care available SAC Office Open

A message from the City of Adelaide

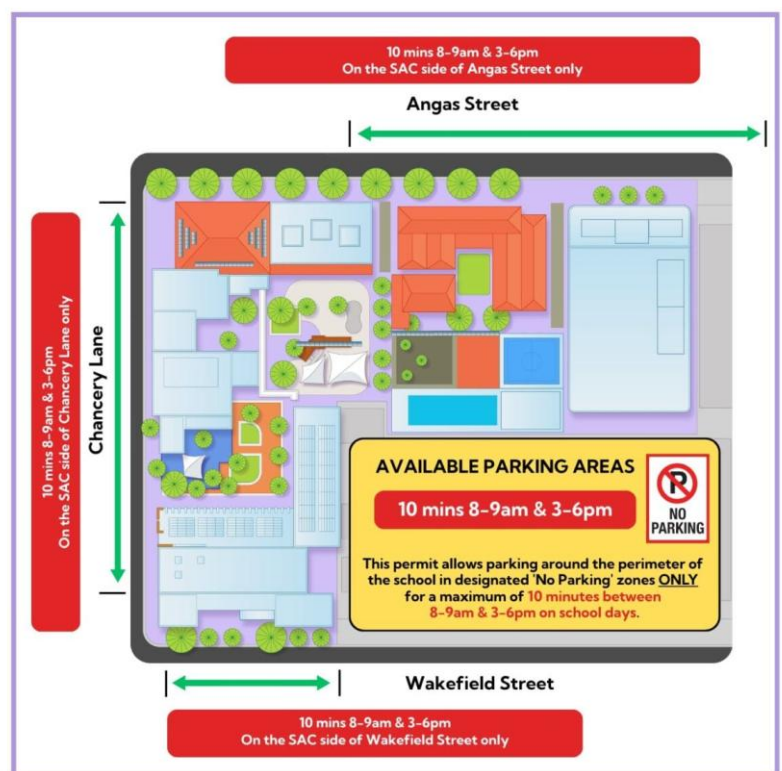

The City of Adelaide have informed the College that it will shortly commence the use of its Park Safe mobile parking monitoring technology in Chancery Lane. The introduction of Park Safe is intended to support safe, fair and accessible parking for all road users. School precincts often experience high parking demand during pick-up and drop-off periods, and Park Safe will assist Council in monitoring compliance with existing parking controls, helping to ensure parking spaces remain available and are used as intended.

The City of Adelaide have provided a [Park Safe information brochure](#) that explains how the technology works and the benefits it provides. They would like to reinforce that Park Safe is another tool used by Council to help maintain safe, fair and accessible parking, ensuring parking spaces are available and used as intended for the benefit of students, families, local residents and the wider community.

Carparking around the Campus

In partnership with City of Adelaide, parking permits are available from our front office. The permits allow parents/caregivers to park around the perimeter of the school (SAC side only and only in 'No Parking' zones) for a maximum of 10 minutes during school drop off and pick up times. If you require a permit, please collect one from the Front Office.

It is crucial that our school community adhere to the road rules at all times, including reducing speed around the College when children are present and adhering to laws both as drivers and as pedestrians. All students are expected to use the pedestrian crossings on Wakefield and Angas Streets when crossing those roads and we appreciate the adults in our community modelling these safe behaviours.

Campus Security

A reminder that for the safety of all students and staff, the Angas Street and Chancery Lane Gates are scheduled to be closed and locked at 8:45am each morning. Please note that parents and carers still within the campus after 8:45am will be directed to use the Wakefield Street entrance/exit through the Front Office. For all arrivals after 8:45am, students should be entering and signing in at the Front Office before moving to their Home Class.

Have a great end to the holidays and looking forward to welcoming you all back to school on Monday.
Yours sincerely,

Nick Tattoli
Deputy Principal (People and Operations)
